

WEEKLY UPDATE

1/15/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Since the beginning of the pandemic, 47 of our residents have recovered from COVID. Based on Dallas County positivity rate we test our staff twice weekly and still screen our staff and all essential care providers daily.

We still welcome essential care givers that meet the requirements outlined by HHSC on appointment only. Our Activity Department offers video conference call for you to see and chat with your loved one. Call the facility number at 214-845-6200 and ask for the Activity Director to schedule a date and time for your video call.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 214-845-6200.

Sincerely,

Chudy Uchegbu

Administrator
