

WEEKLY UPDATE

01/01/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 46 residents and 16 staff members test positive for COVID-19 and 33 residents and 12 employees have recovered from COVID. We currently have no active cases of COVID in the facility and expecting more staff and residents to return soon.

I am happy to share with you, through the partnership with Health and Human Services, GermBlast will be deep cleaning and sanitizing the entire facility this week. This initiative with continuous adherence to our infection control protocol will help keep COVID out of the facility.

Feel free to call us at 214-845-6200 and we can schedule a window visit with your love one. Due to the Dallas County Health Department quarantine restriction, we are not encouraging in-person visitation.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 214-845-6200

Sincerely,

Chudy Uchegbu

WEEKLY UPDATE

1/15/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Since the beginning of the pandemic, 47 of our residents have recovered from COVID. Based on Dallas County positivity rate we test our staff twice weekly and still screen our staff and all essential care providers daily.

We still welcome essential care givers that meet the requirements outlined by HHSC on appointment only. Our Activity Department offers video conference call for you to see and chat with your loved one. Call the facility number at 214-845-6200 and ask for the Activity Director to schedule a date and time for your video call.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 214-845-6200.

Sincerely,

Chudy Uchegbu

WEEKLY UPDATE

01/22/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 59 residents and 26 staff members test positive for COVID-19. 49 residents and 24 staff members have since recovered.

In an effort to keep our residents and staff safe and facility free of COVID we screen every employee and essential care provider upon entering the facility and we are still testing our staff twice a week and residents every three days. The last positive case of COVID-19 we had in the facility was on 1/21/2021. All recent COVID positive residents were transferred to a COVID designated facility where they will quarantine and will return back to the facility once their quarantine period is over.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.
