

Christmas Holiday Update

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays. Our dietary department will prepare special in-room meal for all the residents in celebration of the Christmas Holidays.

The visitation schedule for the holidays is by appointments. Feel free to call us at 214-845-6200 and we can schedule a window visit with your love one. Due to the recent outbreak, we are not encouraging in-person visitation.

Unfortunately we had 8 individuals test positive today for COVID-19, which brings our cumulative number of cases to date to: 42 residents and 11 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Monarch Pavilion Rehabilitation Suites, I wish you a happy and safe Thanksgiving.

Sincerely,

Chudy Uchegbu
